STATE BOARD OF NURSING

IN THE MATTER OF THE SUSPENSION	:	
OR REVOCATION OF THE LICENSE OF	:	Administrative Action
JENNIFER GUY, RN	:	
License No. 26NR11633200	:	
TO PRACTICE NURSING	:	ORDER
IN THE STATE OF NEW JERSEY	:	

This matter was opened to the New Jersey State Board of Nursing (the "Board") upon receipt of a written petition from Jennifer Guy, ("Respondent") to be released from all of the restrictions and conditions placed upon her practice of nursing pursuant to the terms agreed to in a Consent Order filed on October 7, 2009.

The Consent Order provided that Respondent could maintain her license and continue to practice nursing with several restrictions, and with the condition that she was to enroll in and comply with the terms of the Professional Assistance Program ("PAP").

The terms of the Consent Order permitted Respondent to apply to the Board in writing for the lifting of the requirement and restrictions of that Order upon successful completion of the PAP. Respondent has submitted proof of successful completion of such program, and requested that the restrictions placed on her nursing license be lifted.

The Board has determined that Respondent has complied with the terms of the original Consent Order, including successful completion of PAP. The Board has, therefore, determined that the within Order is sufficiently protection of the public health, safety and welfare; and in lieu of further proceedings, and for other good cause shown;

IT IS on this 9th day of Oct., 2013

HEREBY ORDERD that:

1. Respondent's petition to be released from all conditions and restrictions contained in the original Consent Order filed on October 7, 2009 is hereby granted and Respondent's license is no longer subject to restriction or encumbrance.
